

The Greatest Show

Andy Brown

Ladies and gents, this is the moment you've waited for
Been searching in the dark, your sweat soaking through the floor
And buried in your bones there's an ache that you can't ignore
Taking your breath, stealing your mind
And all that was real is left behind

Don't fight it, it's coming for you, running at ya
It's only this moment, don't care what comes after
Your fever dream, can't you see it getting closer
Just surrender 'cause you feel the feeling taking over

It's fire, it's freedom, it's flooding open
It's a preacher in the pulpit and you'll find devotion
There's something breaking at the brick of every wall, it's holding
All that you know

So tell me do you wanna go?
Where it's covered in all the colored lights
Where the runaways are running the night
Impossible comes true, it's taking over you
This is the greatest show

We light it up, we won't come down
And the sun can't stop us now
Watching it come true, it's taking over you
This is the greatest show

Colossal we come these renegades in the ring
Where the lost get found in the crown of the circus king

Don't fight it, it's coming for you, running at ya
It's only this moment, don't care what comes after
It's blinding, outshining anything that you know
Just surrender 'cause you're calling and you wanna go

Where it's covered in all the colored lights
Where the runaways are running the night
Impossible comes true, intoxicating you
This is the greatest show

We light it up, we won't come down
And the sun won't stop us now
Watching it come true, it's taking over you
This is the greatest show

It's everything you ever want
It's everything you ever need
It's here right in front of you
This is where you wanna be

It's everything you ever want
It's everything you ever need
And it's here right in front of you
This is where you wanna be
