

In The End

Andy Gibb

I've come home
I've been away too long
But you don't want me back again
And I tried, in the end
I can't say you made me very sad
The point of love is not to lie
Points denied, in the end, in the end
How can you tell me you don't want me
When I've done all I can to save the day
Suppose I'm in the way
In the end, in the end, in the end
You don't (don't) see sense, eyes never cry
Please take part of me, leave the rest to die
I can't say you made me very sad
The point of love is not to lie
Points denied, in the end, in the end
How can you tell me you don't want me
When I've done all I can to save the day
Suppose I'm in the way
In the end, in the end
How can you tell me you don't want me
When I've done all I can to save the day
Suppose I'm in the way
In the end, in the end, in the end
