

# Pure And Simple

Andy Gibb

Where ever you go  
What ever you do  
It's pure and simple  
I'll be there for you

You've been sayin that i'm drivin u crazy  
And I haven't been around for u lately  
But i've had a few things on my mind

When i'm with u i am filled with emotion  
Can't u see i'm givin u devotion  
And a love like this is hard to find.

I know i've been walkin around in a daze(baby baby)  
U gotta believe me when i say  
ooh ooh

Where ever you go (i'll always be there)  
What ever you do( I know i'm gonna be there)  
It's pure and simple  
I'll be there for you  
What ever it takes  
I swear it's true  
It's pure and simple  
I'll be there for you

I've been there through the stormiest weather  
Always tryin to make things a bit better  
And I know i've gotta try to get it through to u

U can love me in a way like no other  
But the situatuion's takin u under  
So u gotta tell me now whatcha wanna dooooo

Where ever you go (i'll always be there)  
What ever you do( I know i'm gonna be there)  
It's pure and simple  
I'll be there for you  
What ever it takes  
I swear it's true  
It's pure and simple  
I'll be there for you

I'll always be there for you baby  
U know that i'll always be around (i'm gonna be there)  
Oh yeh (u know i'm gonna be there)

I'll always be there for you honey  
U know i'll never let you down  
ooh ooo

Cuz you're the only one for me  
Yeh yeh yeh

It's pure and simple

Where ever you go (i'll always be there)

What ever you do( I know i'm gonna be there)  
It's pure and simple  
I'll be there for you
