

Will You Love Me Tomorrow

Andy Gibb

Tonight you're mine completely
You give your love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow?

Is this a lasting treasure
Or just a moment's pleasure?
Can I believe the magic of your sighs?
Will you still love me tomorrow?

Tonight with words unspoken
You say that I'm, you say I'm the only one
But will my heart be broken,
When the night meets that morning sun?

Please tell me now, and I won't ask again
Will you still love me tomorrow?

Tonight with words unspoken
You tell me I'm, you tell me I'm the only one
But will my heart be broken,
When the night meets that morning sun?

I got to know if your love
Is love I can be sure (so sure) of
Please tell me now, and I won't ask again, no
Will you still love me tomorrow?

Yeah, will you still love me tomorrow?
Will you love me, will you love me,
Will you love me tomorrow?
Will you love me, will you love me,
Will you love me? You've gotta tell me, God
Will you love me, will you love me,
Will you love me? Tell me, tell me
Will you love me, will you love me,
Will you love me? Why don't you say it again?
