

Lease On Life

Andy Grammer

Like a sunrise on the longest night
Like a rescue coming just in time
Yeah you save me when I cannot see the light

Like a heartbeat to a lonely drum
When I thought that that the end had come
You remind me that it's only just begun

Took my soul down the water
Mama I came back a different man
Long as we got one another singin' ooh

Everything's gonna be alright
Everything's gonna be alright
Got a brand new got a brand new
Got a brand new lease on life

Everything's gonna be alright
When I look into your eyes
Got a brand new got a brand new
Got a brand new lease on life

Like a deep breath wanna take you in
When I hold ya I'm alive again
You're the proof that God's been listening

You're the side where the grass is green
Yeah you shake me like a tambourine
No jerseys but we make quite a team

When ya took my soul down the water
Mama I came back a different man
Long as we got one another singin' ooh

Everything's gonna be alright
Everything's gonna be alright
Got a brand new got a brand new
Got a brand new lease on life

Everything's gonna be alright
When I look into your eyes
Got a brand new got a brand new
Got a brand new lease on life

Ooh lease on life
Ooh lease on life

Everything's gonna be alright
Everything's gonna be alright
Got a brand new got a brand new
Got a brand new lease on life

Everything's gonna be alright
When I look into your eyes
Got a brand new got a brand new
Got a brand new lease on life

Took my soul down the water
Mama I came back a different man
Long as we got one another singin

Got a brand new lease on life

Took my soul down the water
Mama I came back a different man
