

# Miss Me

Andy Grammer

I wake up and I'm sober  
Don't even know you anymore  
Punch drunk on a feeling  
Lost in believing, I was sure  
I don't care what you have to say  
Damn words get in the way  
I don't want to know  
I know there will come a time  
When I look you in the eyes and say I told you so

And I promise you this you're going to miss me, miss me  
As long as you live you're going to miss me, miss me

Set me up for the falling  
Gave me no warning you were gone  
Let me down I was reeling  
I can't believe what you've done  
Go do what you got to do  
Damn words will follow you everywhere you go  
And I know there will come a time  
When I look you in the eyes and say I told you so

I believe in my heart, when something is wrong  
Say it's wrong  
I can deal with the part where something is wrong  
If we both stay strong  
I know there will come a time  
When I look you in the eyes and say I told you so

I wake up and I'm sober

When I look you in the eyes and say I told you so

I believe in my heart, when something is wrong  
Say it's wrong  
I can deal with the part where something is wrong  
If we both stay strong  
I know there will come a time  
When I look you in the eyes and say I told you so

I wake up and I'm sober
