

Monster

Andy Grammer

I been feeling numb, I been feeling stressed
Putting in that work with my therapist
And I been letting go of some gnarly shit
That's been holding me back, back, back

'Cause there's a calling, there's a spirit
And I'm trying to hear it
Singing, "You were made for more, more, more"
Ooh, more, more, more
And there's a whisper, there's a power
I can hear it getting louder
Singing, "You were made for more, more, more"
Ooh, more, more, more

There's a monster in me who shut down, went to sleep
And forgot who he really was
But he's waking up

(Hey, hey, hey, hey)
(Hey, hey, hey, hey)

I'm sick of having no pulse, no life, no soul
A flat line on my vitals
I don't wanna live, I don't wanna live like that
I don't wanna live, I don't wanna live like that

Calling, there's a spirit
And I'm trying to hear it
Singing, "You were made for more, more, more"
Ooh, more, more, more
And there's a whisper, there's a power
I can hear it getting louder
Singing, "You were made for more, more, more"
Ooh, more, more, more

There's a monster in me who shut down, went to sleep
And forgot who he really was
But he's waking up

(Hey, hey, hey, hey)
(Hey, hey, hey, hey)

Oh, oh, oh
Oh, oh (Hey, hey, hey, hey)
Oh, oh, oh
Oh, oh (Hey, hey, hey, hey)
Feel like I'm rising and shining (Oh, oh, oh)
Rubbing my eyes and I'm finding (Oh, oh)
My way up outta here (Hey, hey, hey, hey)
I've been asleep for a minute (Oh, oh, oh)
But my visions are beginning (Oh, oh)
To finally reappear (Hey, hey, hey, hey)

There's a monster in me who shut down, went to sleep
And forgot who he really was
But he's waking up
