

Still Smiling

Andy Grammer

Dealing with bad news, sitting on the bathroom floor
Have you ever felt like this before?
Like you got no way of getting out
Like you won't feel better now
Hold myself together now, oh

All the locks won't budge, you've tried every door
I don't know if I can take much more
Like my, like my strength is limited
Not sure when I'll win again
On the edge of giving in, oh

Then I remember that I'm a warrior
I got my sword, yeah, I been here before, yeah
So I stand up, splash some water
Look myself in the eye, feel the crack of a smile

Yeah, I'm alright
You try to knock me out, but it's a long fight
And I'm not going down
I got blood in my teeth, black on my eyelids
(You know me, yeah) I'm still smiling

La-da-da-da-da, da-da-da-da
(You know me, yeah) I'm still smiling

Real talk, that shit was humbling
Straight shot to the chin, I'm stumbling
Hear a voice inside my system
(Stay down) I don't listen
Swimming in the negative
Blurry vision, seeing red
Is this how my story ends?

Then I remember that I'm a warrior
I got my sword, yeah, I been here before, yeah
So I stand up, splash some water
Look myself in the eye, feel the crack of a smile

Yeah, I'm alright
You try to knock me out, but it's a long fight
And I'm not going down
I got blood in my teeth, black on my eyelids
(You know me, yeah) I'm still smiling

La-da-da-da-da, da-da-da-da
(You know me, yeah) I'm still smiling
La-da-da-da-da, da-da-da-da
(You know me, yeah)

I'm alright
You try to knock me out, but it's a long fight
And I'm not going down
I got blood in my teeth, black on my eyelids
(You know me, yeah) I'm still smiling

La-da-da-da-da, da-da-da-da

(You know me, yeah) I'm still smiling
La-da-da-da-da, da-da-da-da
(You know me, yeah) I'm still smiling

La-da-da-da-da, da-da-da-da
