

# These Tears

Andy Grammer

These tears mean I'm lettin' you go  
I'm learnin' how to be alone  
I'm broken, but give it time  
I'm gon' be alright  
These tears mean it's settlin' in  
That I'm not gon' see you again  
'Til one day in another life  
But I'm gon be al-, I'm gon' be alright

I been missin' you tonight  
I'll be missin' you tomorrow  
It's the hardest pill to swallow  
But I'm startin' to get it down  
I try to think of all the times  
I thought I wouldn't make it through  
But somehow I always do  
And I do the same for you

(Ah-ooh) It don't mean I'm good with goodbye-bye-bye  
(Ah-ooh) But it ain't all that bad when I cry, cry, cry

'Cause these tears mean I'm lettin' you go  
I'm learnin' how to be alone  
I'm broken, but give it time  
I'm gon' be alright  
These tears mean it's settlin' in  
That I'm not gon' see you again  
'Til one day in another life  
But I'm gon be al-, I'm gon' be alright

I see you everywhere  
On the sidewalks of my dreams  
Like a distant melody  
I hear you callin' and callin' to me  
And I love you, but I leave you  
In the past, baby, because I need to  
To not go insane  
I know I love you the same

(Ah-ooh) It don't mean I'm good with goodbye-bye-bye  
(It don't mean I'm good with goodbye)  
(Ah-ooh) But it ain't all that bad when I cry, cry, cry

These tears mean I'm lettin' you go (These tears mean)  
I'm learnin' how to be alone (Oh)  
I'm broken, but give it time  
I'm gon' be alright  
These tears mean it's settlin' in  
That I'm not gon' see you again  
'Til one day in another life  
But I'm gon be al-, I'm gon' be alright

Woah-oh, woah-oh  
Woah-oh, I'm gon be al-, I'm gon' be alright  
Woah-oh, woah-oh  
Woah-oh, I'm gon be al-, I'm gon' be alright
