

## Ramblin' Man

Andy Griggs

I can settle down and be doin' just fine  
'Til I hear an old train rollin' down the line  
Then I'll hurry straight home and pack  
I think if I didn't go, I think I'd blow my stack

I love you, baby  
Yeah, but you gotta understand  
When the Lord made me  
I think He made a ramblin' man

Hey I love watching the towns as they all pass me by  
While I'm riding along these rails beneath God's blue sky  
So let me travel this land from the mountains to the seas  
'Cause I swear this here's the life that He must've meant for me

And when I'm dead and gone  
And at my gravestone you'll stand  
I want you to say God called home  
Your ramblin' man  
Oh I want you to say God called home  
Your ramblin' man
