

...Falling?

Andy Mineo

Don't want a girl whose only talent is just looking good
Had to switch the paradigm, I know the booking good
Don't gotta explain when it's understood
Only thing I wish, I wish, I wish, I wish you good

Right back where we left off
Sit down this my Ted Talk
My bad, I took so long but
Life got in the way (Yeah)

Fallin' out of love
Fallin' out of touch
Now I'm fallin' up
Say they fallin' through
I ain't fallin' for it
How I'm feelin', numb
Feeling like I want the feeling like when I begun
Don't feel like a son
Tryna remember somethin'
Be forever young
This that Never Land
But we never run
A con artist I don't like, I never met me one

Jesus save me from Christians
The ones that stay forgettin'
Before y'all hold a grudge, you should hold a beer
Before you hold a stone, you should hold a mirror
Been a lonely year
Been a Covid year
Y'all stay over there
Got some Kobe gear
This ain't Kobe beef, nah, this A5
I don't smoke the reef, it gives me anxi-
Say that you ain't racist, you know a black guy
In your Air Jordans, you just got baptized
Man, this whole town give me bad vibes
And my pronoun is just 'that guy'
Don't be
Don't be that guy

Am I fallin' from the sky or fallin' in your hand?
Is it a disguise or is it in your plan?
Can you tell me why when I don't understand?
Am I at the end or did I just begin?
Show me
Show me
