

HI-FIVE (LOADING)

Andy Mineo

Say hello to Magic and Bird
Magic from downtown
That's a triple
Bird from deep
Three
Wow!
Hi-Five!
Yeah!

Kids, Coach Girthman here
Today we're gonna be talking about teamwork
Now this is important, I need you to pay attention
You don't learn team work
You'll be at a used car lot in central New York
Selling at Billy's used auto mall
Doing paper work in the back
Getting your palms greased to get a guy a loan approved for a c
ar he can't afford
Now I understand that there's a lot at stake here
Life is a high contact sport
And if you're not prepared
It will knock you square on your keyster
