

# Make Your Move

Andy Mineo

We right back to it!

You know, there's this girl at work (Hey, y'all)  
We see each other every day ([?])  
And I can tell there's vibes, but  
We never said anything to each other (New York Giants)  
So the other day, I see her at the water cooler ([?])  
She came up to me, and she hand me a lil' note, and it said (DJ [?])

High on your energies and vibes  
Oh I, I really think you're outta sight (Ha-ha!)  
You move me and halt the hands of time (It's undeniable!)  
Did I, know you in a former life? (Woo)

Yeah, I feel so connected, to her  
I feel this great connection (I'm feeling so connected)  
Yeah, you know I want her more than more, it's crazy (I want her more than more)  
I really want to get into it  
Ha-ha, yeah (Come on, get to it)  
Man, what am I waiting for? (For what?)  
I gotta make my move

My love, giving you all my love (Yeah)  
Body and soul and my body  
My love, giving you all my love (So make your move)  
My love, giving you all my love  
Na, na-na-na, na-now now  
My love, giving you all my love (So baby, make your move)

Quench your spiritual desire  
Let's explore this paradise (Come on!)  
Soul attraction's so divine  
Don't let this pass you by (I'm here with Andy Mineo, it's been a while, hey  
, yeah, yeah, ha-ha!)  
Oh, make your move

Oh, I see you, looking at me  
I can tell by your eyes that you're feeling me  
And I really want you to get close to me  
Everybody love me, girl, not just me  
You don't gotta be a model for me to adore you  
All you gotta do is love me and be loyal  
Precious times, hopin' they won't end  
Tell your mother 'bout your lover, also your best friend, uh  
Smiley faces after all her friends  
Either you the one, or I'm caught in the matrix  
Girl, I admit my first thought was the trip  
You look so good, uh, nah

My love, giving you all my love (Come on)  
Body and soul and my body, yeah  
My love, giving you all my love (So make your move, ooh)  
My love, giving you all my love  
Na, na-na-na, na-now now  
My love, giving you all my love (Come on, and make your move)

(This be that [?], part two, y'all know what it is)  
Yeah, I got that letter you gave me earlier  
So uh, listen, why don't we go out tonight?  
I know a little Italian spot, you'll love it  
My guess is that you like Italian  
Haha, yeah  
Look, I'll pick you up at 7:30 (Get it, DJ [?], the world's most hated)  
I'll see you there, haha
