

# Crushes

Andy Shauf

Painted ceilings, warmer feelings, winter windows  
Inside of a house with three foot walls  
Smaller details, nervousness tells little secrets  
Like highschool crushes on a blank stare

Things that I keep in a safe place, notes that you wrote  
Oh, I'd be sad if you don't care

Oh, I'd be sad if you don't care  
Like highschool crushes on blank stare
