

Judy

Andy Shauf

Judy and me, every week
Would buy a ticket for the Wednesday night lottery
She'd pick the numbers, I'd pick it up
Would it feel different if I was holding the winning one?

What would you buy?
I'd buy a ticket for the Thursday night and try to win twice

Judy and me, every week
Would order doubles till the numbers were released
I wanted to pick them one week
But I swore that'd be the week that they pick her numbers

What would you buy?
I'd buy a ticket for the Thursday night and try to win twice

Judy and me, every time
Would get our hopes up a little too high
Judy and me would squint our eyes to read the numbers and say "
Maybe next time"

What would you buy?
I'd buy a ticket for the Thursday night
What would you buy?
I'd buy a ticket for the Thursday night and try to win twice
