

Satan

Andy Shauf

Don't watch yourself, watch the movie
This only happens for a little while
Because Satan is waiting
Satan is waiting with Halloween candy

All of the best parts make you sorry
All of the worst parts make you strong
And Satan is waiting
Satan is waiting with Halloween candy

One long disciplined life and at the end
I'm taking my shoes off and jumping on in
One invitation, one bite-sized bar
Would you like to come swimming in a big lake of fire?

One long disciplined life and at the end
I'm taking my shoes off and jumping on in
Satan is waiting
Satan is waiting
Satan is waiting
Satan is waiting
Satan is waiting
Satan is waiting

Don't watch yourself, watch the movie
