Slowly

Andy Shauf

Give me strength, Jesus Christ
Give me strength, Jesus Christ
Give me strength, Jesus Christ
Or whoever

Give me open roads
Give me open roads
Give me open roads
For my wanderings

Give me wisdom, Lord
Give me wisdom, Lord
Give me wisdom, Lord
Don't give me knowledge

Give me love, friend of mine
Give me love, friend of mine
Give me love, friend of mine
And I'll give back

'Cause I am killing myself slowly
Oh, I am killing myself slowly
Oh, I am killing myself slowly
Oh, I am killing myself slowly
