

A Man and a Woman

Andy Williams

When hearts are passing in the night, in the rushing night
A man, a woman in the night, in the lonely night
Must take a chance that in the light, in tomorrow's light
They'll be together, so much in love,

Tho' yesterday still surrounds you
With a warm and precious memory
Maybe for tomorrow
We can build a new dream for you and me.

This glow we feel is something rare, something really rare
So come and say you want to share, want to really share
The beauty waiting for us there, calling for us there
That only loving can give the heart.

Oh maybe, maybe for tomorrow
We can build a new dream for you and me.

so much in love, be together, so much in love,

So tell me you're not afraid to take a chance, really take a chance,
Let your heart begin to dance, let it sing and dance
To the music of a glance, of a fleeting glance,
To the music of romance, of a new romance.
Take a chance, take a chance.
