

Boum !

Andy Williams

Tick-a-tick-a-tock goes every clock
Every little heart goes tick-tick-tock
Tweet-tweet-tweet goes the bird on the trees
Buzz-buzz-buzz go a busy bees

But boom
Why does my heart go boom?
Me and my heart go boom
Pam-pari-boom all together

Boom
When you are near it's boom
You disappear and boom
Pam-pari-boom
Stormy wheather

Don't the lily
And the still of the night
Give the boom at the sight of the wonder
Like mandolin
At the dawn of the day
It comes up with the boom like thunder

Boom
One little look and boom
Me and my heart go boom
Pam-pari-boom all together

Boum
Quand notre coeur fait boum
Tout avec lui dit boum
Et c'est l'amour qui s'éveille

Boum
Il chante "Love in bloom"
Au rythme de ce boum
Qui redit boum à l'oreille

Don't the lily
And the still of the night
Give the boom at the sight of the wonder
Like mandolin
At the dawn of the day
It comes up with the boom like thunder

Boom
One little look and boom
Me and my heart go boom
Pam-pari boom
Pam-pari boom
Boom
Param-pari
Param-pari
Param-pari
Param-pari boom
