

# Happy Heart

Andy Williams

There's a certain sound always follows me around  
When you're close to me you will hear it  
It's the sound that lovers hear when they discover  
There could be no other for their love

It's my happy heart you hear  
Singing loud and singing clear  
And it's all because you're near me, my love  
Take my happy heart away  
Let me love you night and day  
In your arms I wanna stay, oh my love

Feeling more and more like I've never felt before  
You have changed my life so completely  
Music fills my soul now, I've lost all control now  
I'm not half, I'm whole now with your love

It's my happy heart you hear  
Singing loud and singing clear  
And it's all because you're near me, my love  
Take my happy heart away  
Let me love you night and day  
In your arms I wanna stay, oh my love

La la la la la la la
