

# Journey's End

Andy Williams

On my way  
Back to you  
I can't wait  
Until the moment  
The picture  
In my mind  
Becomes reality  
Not the dream  
That lay with me  
Through the long lonely nights  
Today all those dreams  
Will come true

I'll be there  
Very soon  
I can see on the horizon  
The glow of harbour lights  
I know you'll be there  
When I reach my journey's end

I have longed  
For the day  
When I hold you  
In my arms again  
And when you're close to me  
It fills the emptiness  
Of being apart  
And I'll be safe  
In the warmth of your love  
This moment will live in my heart

I can see  
You at last  
And you look even more beautiful  
The heartache and the pain  
Will soon be over  
When I reach my journey's end
