

Long Time Blues

Andy Williams

Sitting by the window
Waiting for the dawn
Waiting for a girl
A long time gone
Long time gone
Is a lonesome sound
Long time blues
Is a hard way down

Walking by the river
Walking in the rain
Down by the depot
Waiting for the train
Long time gone
Is the evening train
Long time blues
Is an aching pain

Long time blues
Long time blues
Long time blues
It's an aching pain

Listen to the sparrow
Singing his song
Listen for a voice
A long time gone
A long time gone
Is a silent song
A long time blues
Keeps a coming on
Coming on

Sitting by the window
Waiting for the dawn
Waiting for a girl
A long time gone
Long time gone
Is a lonesome sound
Long time blues
Is a hard way down

Long time blues
Long time blues
Long time blues
It's a hard way down
