Look for the Silver Lining

Andy Williams

Look for the silver lining
When every cloud appears in the blue
Remember somewhere, the sun is shining
And so the right thing to do
Is make it shine for you

A heart, full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life

A heart, full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life
