

Madrigal

Andy Williams

Why are your eyes unable to cry?
Why do you weep with eyes that are dry?
Are you afraid that life's passed you by
Lonely madrigal?
Where are you from and what have you been?
What is your shame and what is your sin?
Is there a key
A key to set you free
Poor madrigal?

What do you see when you're staring to space?
What goals do you embrace?
Out of the past is there someone
Whose heart will understand?
Someone to take your hand
And help you find peace at last

Where will you go and what is your face?
Will you find love or passion and hate?
After the storm will someone keep you warm
Old madrigal?

After the storm will someone keep you warm
Old madrigal?
