

# Playing the Field

Andy Williams

I'm playing the field  
Some other guys  
Ought to get wise  
And do like me

I'm looking around  
Playing it cool  
Nobody's fool  
Feet on the ground

Oh, I'm playing the field  
Walking on air  
I haven't a care  
The live long day

I'm feeling no pain  
I'm making no slips  
Taking no trips  
Down lovers lane

Oh, I can throw my clothes around  
And come home late at night  
And mess the papers up  
Nobody cares  
Sometimes it gets  
A little lonesome, true  
But that's alright  
I never have to dust  
Those empty chairs

Oh, I'm playing the field  
Bachelor man  
Long as I can  
That's what I'll be

My, my future is sealed  
I'm bidding my time  
A-sister, and I'm  
Playing the field

My, my, my, my  
My future is sealed  
I'm bidding my time  
A-sister and I'm  
Playing the field  
I'm playing the field
