

Quentin's Theme (Shadows of the Night)

Andy Williams

Shadows of the night
Falling, silently
Echo of the past
Calling you to me

Haunting memory
Veiled in misty glow
Phantom melody
Playing soft, and low

In this world that we know now
Life is here, then gone
But somewhere in the afterglow
Love lives on, and on

Dreams of long ago
Meet in rendezvous
Shadows of the night
Calling me to you
Calling me to you
Calling me to you
