

Show Me

Andy Williams

Don't talk of stars burning above
If you're in love show me
Tell me no dreams filled with desire
If you're on fire show me
Here we are together in the middle of the night
Don't talk of spring, just hold me tight
Anyone whose ever been in love will tell you that
This is no time for a chat

Haven't your lips longed for my touch

Don't say how much, show me, show me
Don't talk of love lasting through time
Make me no undying vow
Show me show me

Haven't your lips longed for my touch
Don't say how much, show me, show me
Don't talk of love lasting through time
Make me no undying vow
Show me show me now
