

## Since I Fell for You

Andy Williams

When you just give love  
And never get love  
You'd better let love depart  
I know it's so, and yet I know  
I can't get you out of my heart

You made me leave my happy home  
You took my love and now you're gone  
Since I fell for you

Love brings such misery and pain  
I guess I'll never be the same  
Since I fell for you

Well, it's too bad  
And it's too sad  
But I'm in love with you  
You love me, then you snub me  
But what can I do?  
I'm so in love with you

I guess I'll never see the light  
I get the blues most every night  
Since I fell for you  
Since I fell for you
