

## So Nice (Summer Samba)

Andy Williams

Someone to hold me tight, that would be very nice  
Someone to love me right, that would be very nice  
Someone to understand each little dream in me  
Someone to take my hand, to be a team with me

So nice  
Life would be so nice  
If one day I'd find  
Someone who would take my hand  
And samba through life with me

Someone to cling with me, stay with me right or wrong  
Someone to sing with me some little samba song  
Someone to take my heart, then give this heart to me  
Someone who's ready to give love a start with me

Oh yes  
That would be so nice  
Should it be you and me  
I could see it would be nice

It would be so nice  
Life would be so nice  
If one day I'd find  
Someone who would take my hand  
And samba through life with me

Someone to cling with me, stay with me right or wrong  
Someone to sing with me some little samba song  
Someone to take my heart, then give this heart to me  
Someone who's ready to give love a start with me

Oh yes  
That would be so nice  
Should it be you and me  
I could see it would be nice  
It would be so nice  
Oh so very nice
