

Stop Teasin' Me

Andy Williams

When I say hello you
I'm only thinking of you
And you say you're only thinking of me
Well if you're tellin' a lie
Stop teasin' me

When I'm holding your hand
And you're holding my hand
And you cuddle up so close to me
Well if you're tellin' a lie
Stop teasin' me

Say you'll be true
The way I'm true to you
Say it, baby
Don't lie to me, baby

When I say I'll leave you
Because I can't believe you
And you promise to be true to me
Well if you're tellin' a lie
Stop teasin' me

Well if you're tellin' a lie
Stop teasin' me
Well if you're tellin' a lie
Stop teasin' me

Say you'll be true
The way I'm true to you
Say it, baby
Don't lie to me, baby

When I say I'll leave you
Because I can't believe you
And you promise to be true to me
Well if you're tellin' a lie
Stop teasin' me
Well if you're tellin' a lie
Stop teasin' me
Well if you're tellin' a lie
Stop teasin' me
