

What Now, My Love?

Andy Williams

What now my love
Now that its over
I feel the world closing in on me
Here comes the stars
Tumbling around me
And theres the sky where the sea should be

What now my love
Now that youre gone
Id be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now my love
Now there is nothing
Only my last goodbye
Only my last goodbye
