

When You Wish upon a Star/Toyland

Andy Williams

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

Toyland, toyland
Little girl and boy land
While you dwell within it
You are ever happy there

Childhood's joy land
Mystic merry toyland
Once you pass its borders
You can never return again

Childhood's joy land
Mystic merry toyland
Once you pass its borders
You can never return again

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you
