

# All Is Soft Inside

Ane Brun

I don't know why  
But I feel down  
You need to know  
I can't go on

I was a rose  
I was an animal  
Don't make me change  
Don't let me go

All around is stone  
And all is soft inside

All that I know  
Lies within emotions  
Words remain unspoken  
Leads me through the dark  
All that I see  
Came to me in colours  
Lasted for a moment  
Leads me through the dark  
All that I know

All that I know

I need it all  
I don't know where to begin  
I carry more than you see  
My dreams are bigger than me

Please bring me light  
I bear a shadow  
So I call them back to me  
So they can feed me

All around is stone  
And all is soft inside

All that I know  
Lies within emotions  
Words remain unspoken  
Leads me through the dark  
All that I see  
Came to me in colours  
Lasted for a moment  
Leads me through the dark  
All that I know  
All that I know  
All that I know  
All that I know  
All that I know

All that I know
