

Closer

Ane Brun

When you're in your darkest hour
And you think you'll never recover
Riding a constant spiral down
You think you can't dodge this one
But you'll be fine I know
You'll be climbing higher
This is how you grow
This is how you grow closer, closer

In the wide scope of loneliness
Try to fill that space
Stretch out your arms
Scratch the walls with your fingernails
So you can hear the sound
Of togetherness
Then you'll be fine
And you will feel closer, closer
Closer, closer
Closer, closer
Closer, closer

And in your brightest hour
When the light is losing its power
Don't you wait for it to stop
Don't let your voltage drop
'Cause you'll be fine I know
You'll be climbing higher
This is how you grow
This is how you grow closer, closer
Closer, closer

Closer, closer
Closer, closer

Closer, closer
Closer, closer
