

Honey

Ane Brun

(En, to, tre, fire)

Honey
I'm blown away
I heard your voice again today
Light and clear
With so much to say
Honey
I remember you
I wish I could go back in time
To when you're eighteen
And in the line of fire

Nothin' you do will ever let me down
And you'll repeat your mistakes many times
But I will be keeping my eye on you
'Cause I know how things will come back to haunt you
I can promise you, you'll make it through
And I know that 'cause I am you
(I am you, oh, I am you
I am you, oh, I am you)
I am you
(I am you, oh, I am you
I am you, oh, I am you)

Honey (honey)
I can see you
Gettin' caught in growin' pains
Honey (honey)
I wish I could
Reinvent you
But, honey (honey)
There's nothing to do
But walk the same path together
One step follows the other

Nothin' you do will ever let me down
And you'll repeat your mistakes many times
But I will be keeping my eye on you
'Cause I know how things will come back to haunt you
I can promise you, you'll make it through
And I know that 'cause I am you
(I am you, oh, I am you
I am you, oh, I am you)
I am you
(I am you, oh, I am you
I am you, oh, I am you)
(En, to, tre, fire)

(I am you, oh, I am you
I am you, oh, I am you
I am you, oh, I am you
I am you, oh, I am you
I am you, oh, I am you
I am you, oh, I am you)
Honey...
(I am you, oh, I am you

I am you, oh, I am you)
(En, to, tre, fire)
Honey...

Honey
Honey
Honey
Honey
(En, to, tre, fire)
Honey
Honey
Honey
Honey
