

Humming One Of Your Songs 2013

Ane Brun

I'm walking
I'm walking along

And I'm humming
I'm humming
One of your songs

I just know one small verse in the middle of it
But it makes me wanna hear it on and on and on and on

I just know one small verse in the middle of it
But it makes me wanna hear it on and on and on and on and on

Everyday
I hear your song now
Everyday
It won't go away

So I am humming
I'm humming
One of your songs
Copy paste is a sin, always on the run is better
I just know one small verse in the middle of it
But it makes me wanna hear it on and on and on and on

I just know one small verse in the middle of it
But it makes me wanna hear it on and on and on and on and on
And on, and on, and on
