

My Lover Will Go

Ane Brun

What am I gonna do?
I am crying a bottle of wine over you
This is something I don't usually do
But I am crying a bottle of wine over you

For me it is red or nothing
Hey-ho my lover will go
And this will ruin everything
Hey-ho my lover will go
I'm just too romantic
Hey-ho my lover will go
Without any sense of strategies
Hey-ho my lover will go

Twelve days and many long days have passed
Since I let go of my heart way too fast
Too many long summer nights
I've been checking for errors on the telephone lines

For me it is red or nothing
Hey-ho my lover will go
And this will ruin everything
Hey-ho my lover will go
I'm just too romantic
Hey-ho my lover will go
Without any sense of strategies
Hey-ho my lover will go

What am I gonna do?
I am pouring my heart all over you
I guess I recognize this too
I think I'm falling in love with you
