

arrival day

anees

Like summer camp
You feel like s'mores or something more
You open hearts, you open doors
You lead my soul right to the source, yeah

You're a swim in the pool
In the middle of June, yeah
You're a dive in the lake
So, take my hand for a minute
Let's dance the night away
To the song of the trees, yeah
In the midsummer breeze
'Cause you're the kiss of the wind
Oh, so let the fire begin
'Cause you feel like

Your love is amazing, you're driving me crazy
I feel so safe with you, and that's 'cause you feel like summer
camp
And your smile is inviting, and your vibe is exciting
And your soul is igniting me, and that's 'cause you feel like s
ummer camp

And I'm overnight with you, girl, haha, yeah
Look, mosquito bites with you, girl, oh
Gimme a s'more or something more
Baby, you're someone I adore
I can lay aside every earthly care
When you're near, you feel like

Your love is amazing, you're driving me crazy
I feel so safe with you and that's 'cause you feel like summer
camp
And your smile is inviting and your vibe is exciting
And your soul is igniting me and that's 'cause you feel like su
mmer camp
Your love is perfection, you give me protection
My heart is at home with you, and that's 'cause you feel like s
ummer camp
You give me a reason, you're a faith to believe in
I feel at peace with you, and that's 'cause you feel like summe
r camp

And I'm overnight with you, girl
Yeah, you feel like summer camp
