

# home again

anees

Yeah, I feel like I journey through the valley  
Just to find that peace was always in my soul  
Sometimes you gotta walk through darkness, yeah  
Just to find the light inside you all along  
I'm safe to pray, here I'm safe to believe  
Haven't felt this type of peace since 2003  
I feel His spirit deep in me  
I know God lead me here  
I know God sent me free, I

No, I don't wanna leave  
No, I don't wanna leave  
I have never felt this free, I  
No, I don't wanna go  
Perfect love overflows in my soul

'Cause I'm finally home again, yeah  
I'm finally home again

I have found a home that knows no location  
So, wherever I go, I have family  
I won't ask the world for its affirmation  
'Cause Heaven is a place that exists in me  
So, I can live right here  
In my little cabin on this mountain, yeah  
All my friends, I know they love me, I'm surrounded, yeah  
They accept me as I am  
So, I'm drowning in the ocean of His boundless

Love, I hear Him telling me

That I don't have to leave  
No, I don't wanna leave  
So, I think I'll never leave, I  
I'm never gonna go  
Perfect love overflows in my soul

'Cause I'm finally home again, yeah  
I'm finally home again, yeah

I can remember, the first time I ever felt at home  
The first footsteps I set on the camp  
I felt something I didn't know I could feel  
I still feel that feeling to this day  
I know a lot of you are listening to this song right now  
And I don't know your story  
I don't know what you've been through  
But I can promise you one thing, you are always home  
No matter how far you've gone  
Because home is a place that God designed in your heart  
No matter how far you roam

We're finally home, home again, yeah  
We're finally home  
Said we're finally home again  
Finally home again
