

I go back in time, I live in rewind  
And I know in my mind  
That it always had to be you  
The moments have gone  
I tried to move on, baby  
But if I could wish on the shiniest star  
I'd be wishing for you

Because you make my heart go  
"Bu-bum, bu-bum, bum"  
I can't just move on  
No and trust me, I tried to  
Don't you know my heartstrings are tied to you?  
"Bu-bum, bu-bum, bum"  
You're stuck in my songs  
And baby, I need you, oh

Girl, you got me dazed  
There's a million ways that you amaze me  
The sun rays, well they shine right out of your eyes  
I try to be strong, I'm telling myself that I don't need you  
But it's just not true, in my ocean, you are the tide

The way you make my heart go  
"Bu-bum, bu-bum, bum"  
I can't just move on  
No and trust me, I tried to  
Don't you know my heartstrings are tied to you?  
"Bu-bum, bu-bum, bum"  
You're stuck in my songs  
And baby, I need you, oh

Girl, you know you make my heart go  
"Bu-bum, bu-bum, bum"?  
The way you make my heart go  
"Bu-bum, bu-bum, bum"  
Only you can make my heart float

But in my mind, sometimes I picture you  
With somebody else and it tears my soul in two  
'Cause you are the only one I want to hold when things go wrong  
'Cause you are my lovely day, oh, but the sun don't shine  
When you're gone and my heart goes

"Bu-bum, bu-bum, bum"  
I can't just move on  
No and trust me, I tried to  
Don't you know my heartstrings are tied to you?  
"Bu-bum, bu-bum, bum"  
You're stuck in my songs  
And baby, I need you, oh

Girl, you know you make my heart go  
"Bu-bum, bu-bum, bum"?  
You know it's true, yeah, it beats for you like, yeah  
"Bu-bum, bu-bum, bum"  
Baby girl, you make my heart go

"Bu-bum, bu-bum, bum"  
"Bu-bum, bu-bum, bum"

A little softer now  
"Bu-bum, bu-bum, bum"  
"Bu-bum, bu-bum, bum", yeah  
"Bu-bum, bu-bum, bum"  
"Bu-bum, bu-bum, bum"  
A little softer now  
"Bu-bum, bu-bum, bum"  
"Bu-bum, bu-bum, bum"  
"Bu-bum, bu-bum, bum", yeah  
"Bu-bum, bu-bum, bum"
