Anees

Baby, baby, you're my sun and moon
Girl, you're everything between
A lot of pretty faces could waste my time
But you're my dream girl
You make flowers bloom
Girl, you make the stars collide
And I don't know what I did
To get lucky like this but it sure feels fine

You got me craving for you night and day (Oh, oh)
I get anxiety when you're away (Too long)
'Cause I just can't believe that your mine to keep
That's why I want you right next to me
All the time when the sunrises
And the moon light shines in your eyes
I feel like the luckiest guy on Earth
'Cause in my world I got somebody like you girl
Araw at gabi hanap-hanap ka sa magdamag
Sa dami ng pagpipilian ikaw lang ang naibigan ko na mahalín
Aalayan ka ng bulaklak, mapangiti ka lang ay ayos na
Ikaw sa'kin ang tinadhana, ang gusto ko makasama 'gang sa tumanda

'Cause I see your face when I'm sleepin'
I wake up grateful to breathe in
The air you float through, I wrote you a lullaby
A song to sing on your pillow
Swift as a swing on a willow
My sweetest words I'm the birds in your perfect sky, oh my

Baby, baby, you're my sun and moon (Araw at gabi)
Girl, you're everything between (Ikaw lang talaga)
A lot of pretty faces could waste my time
But you're my dream girl (Girl)
You make flowers bloom
Girl, you make the stars collide
And I don't know what I did
To get lucky like this but it sure feels fine

'Cause baby, baby, you're my sun and moon
Girl, you're everything between
A lot of pretty faces could waste my time
But you're my dream girl (Girl)
You make flowers bloom (Girl, you make the flowers bloom)
(You make flowers bloom)
Girl, you make the stars collide (Don't you know you make the stars collide?)
(You make the stars collide)
And I don't know what I did
To get lucky like this but it sure feels fine, oh my, oh my

Oh my, oh my, oh my
Yeah, oh my, oh my

Baby, baby, you're mine
