

# wannabe

anees

Yeah, next to you  
Wanna be, wanna be, wanna be, wanna be, yeah  
I wanna be, I wanna be, I wanna be  
Wanna be, wanna be, wanna be

Girl, your eyes, they blaze like the sun  
And I have no doubt in my soul, you're the one  
And your smile, it cuts like a knife  
You tear down my walls, and you make everything right  
Girl, your shine, it has a glow  
It feels like a portal inside of your soul  
And that's where I wanna be

I wanna be next to you  
And I wanna be where you are  
Wanna be, wanna be, wanna be, yeah  
Girl, you know that  
I wanna be next to you  
And I wanna be where you are  
Wanna be, wanna be, wanna be, yeah

I wanna be wherever you are  
I'll follow you like a northern star  
You hold the key that unlocks my soul  
Happiness flows wherever you go  
I didn't choose to feel these feelings for you, boo  
But everything comes naturally (Comes naturally)  
When you're next to me (When you're next to me)  
My baby, can't nobody love you like I do  
Don't you understand that you're my sun and moon?  
My endless love, sent down from above, yeah  
You are my bronze, my silver, my gold  
I'll hold you down 'til we're gray and old in every way  
Just one thing, I'll pray you let me stay 'cause

I wanna be next to you  
And I wanna be where you are  
Wanna be, wanna be, wanna be, yeah  
Girl, you know that  
I wanna be next to you  
And I wanna be where you are  
Wanna be, wanna be, wanna be

Do-do-do, do-do-do-do  
Do-do-do-do, do-do-do-ro  
Yeah, you make my heart go  
Do, do-do-do-do  
Do-do-do-do, do-do-do-ro  
And that's where I wanna be

I wanna be next to you  
And I wanna be where you are  
Wanna be, wanna be, wanna be
