

# Be My Only Karma

Aneka

i can tell by the way you look at me  
you need to be mine  
we could sit watch the stars all night till they  
disappear into the sky

i am yours  
and i know that you're mine  
you're worth waiting for  
you're worth waiting for

be my only  
be my only  
be my only  
your hand in mine  
i swear love speeds up time  
and wind blows southern skies  
like a lullaby  
wasn't hard to fall  
your love's a wrecking ball

watch your hands move along my face they trace  
all the lines i've lived  
it isn't hard to love your scars 'cause that's  
everywhere you've been

i am yours  
and i know that you're mine  
you're worth waiting for  
you're worth waiting for

be my only  
be my only  
be my only  
your hand in mine  
i swear love speeds up time  
and wind blows southern skies  
like a lullaby  
you're tearing down my walls  
your love's a wrecking ball

you're the one i'll compare all the others to  
like sunny weather  
you're the one that i'll always come back to  
forever

be my only  
be my only  
be my only  
your hand in mine  
i swear love speeds up time  
and wind blows southern skies  
like a lullaby  
the good the bad i take it all  
your love's a wrecking ball
