He said that he loved me Never would go Oh oh Oh oh.

Now I find I'm sitting here on my own Oh oh.

Was it something I've said or done
That made him pack his bags up and run?
Could it be another he's found? It's breaking up the happy home

(chorus)

Mister can you tell me where my love has gone? He's a Japanese boy.

I woke up one morning and my love was gone $\ensuremath{\mathsf{Oh}}$ My Japanese boy $\ensuremath{\mathsf{Ooh}}$

I miss my Japanese boy.

People ask about him every day Oh oh.

Don't know what to tell them What can I say?
Oh oh
Oh

If only he would write me or call A word of explanation That's all.

It would stop me climbing the wall. It's breaking up the happy home.

(chorus)

Mister can you tell me where my love has gone He's a Japanese boy.

I woke up one morning and my love was gone $\mbox{\it Oh}$ my Japanese boy.

Mister can you tell me where my love has gone
