

## Tu-Whit Tu-Whoo

Aneka

By the house that you call home  
Lies the evil and the scared  
Pass the saints through the heaven gates  
We can hide out there  
I've known you all my life tonight  
And I won't let that go  
I've known you all my life tonight

On the Highland borderline it brings us back  
When we were kids  
Pictures of our dead loved ones  
The night is young so don't be scared  
I've known you all my life tonight and I won't let that go  
I've known you all my life tonight
