I'm bought to throw it up, catch it and run it back  
I'm a fisherman catch it and throw it back  
I got no chill  
I do not relax  
I just run it up like I'm runnin' track  
Everybody wanna run in place  
And then wonder why I won the race  
I'm one to race  
Not one to test  
So give me mine, or bring your best
