

I Don't Mind

Anella Herim

She say she like the way my spit taste on her tounge yeah
I got a feeling that I'm not the only one yeah
Did 1 to many now I'm sure we'll fall in love
Cause a Parties no party without cardi 151
This city's changing everybody that I know damn
I wish I had someone back then to tell me slow down
I probably would've never fell into this hole
Like you get it or you don't, it's an if you know you know now

I don't mind
Feeling lonely
These street lights
They control me
I'll find peace
When no one knows me here
Uh
Yeah yeah yeah
I don't mind
Feeling lonely
These street lights
They control me
I'll find peace
When no one knows me here
Uh
Yeah yeah yeah

Kk, cc, won't you come and meet me
I was off a Drank but I swear her name was keke
I like feeling needed and I know she doesn't need me
So we spin the bottle cause the liquor makes in easy

Uh uh uh uh uh uh uh uh uh
Yeah
Yeah yeah yeah
Uh uh uh uh uh uh uh uh uh
Yeah
Yeah yeah yeah

Cross my heart and I hope to die
That I find someone
For' I leave this life yeah
Cross my heart and I hope to die
That I find someone I love

But I don't mind
Feeling lonely
These street lights
They control me
I'll find peace
When no one knows me here
Uh
Yeah yeah yeah
I don't mind
Feeling lonely
These street lights
They control me
I'll find peace

When no one knows me here
Uh
Yeah yeah yeah
