

## Recess

Anella Herim

(Woah, woah)  
(Damn Kamen)  
(Ohhh Yeah)  
(Nah Man Nella Made It)

Could you be my recess  
Help me find my meaning  
Be my place to hide when I can't  
Fight off all my demons  
I been having trouble sleeping  
I can't dream without my peace and  
I can't sleep if I can't breath  
My chest is tight I'm wheezing

(Aye, ohhh)  
Help!  
(Ohhh)  
Out  
I need space to figure it out  
I need space to figure it out

Cause I  
(Ohhh)  
I been down  
I'm self taught to come back around

I learned to let the smoke roll  
Give it time and let the air thin out

(Thin out)

I'd rather be on my own  
Than have a hundred lovers that I don't know around

Could you be my recess  
Help me find my meaning  
Be my place to hide when I can't  
Fight off all my demons  
I been having trouble sleeping  
I can't dream without my peace and  
I can't sleep if I can't breath  
My chest is tight I'm wheezing

Stumble over my words  
Usually making things worse  
Figure out what works  
And find it in myself to forgive  
Everyone that left me  
All alone and empty  
Maybe I'm just selfish  
But I can't help it

I try my best to be righteous  
Always end up fighting  
I clipped my wings I ain't flying  
The finer things in life don't make me who I am  
And they say that it's inside me

Well baby can you teach me  
Cause I don't understand

Could you be my recess  
Help me find my meaning  
Be my place to hide when I can't  
Fight off all my demons  
I been having trouble sleeping  
I can't dream without my peace and  
I can't sleep if I can't breath  
My chest is tight I'm wheezing

Could you be my recess  
Help me find my meaning  
Be my place to hide when I can't  
Fight off all my demons  
I been having trouble sleeping  
I can't dream without my peace and  
I can't sleep if I can't breath  
My chest is tight I'm wheezing
