

Something It's Not

Anella Herim

Wish I could, I know you can't
I could lie, say you changed
Like I know what I want and, I'm all that you need
Say you love me, I'm the one
Or it's only for the fun
When you make up your mind, I'll be here to come clean

Make it easy
On me
If you're leaving
Just leave
Now we ain't gotta force where this goes
I just wanna know

If you're gonna love me or not
Ain't no rush
We ain't gotta call something it's not
But I can't keep giving you
All that I got
'Cause all I can take, is all that I get
And you ain't told me yet
Girl are you gonna love me or not
(Oh, oh)
Are you gonna love me or not?

Guess I got too comfortable
Too hung up on wanting you
Thought one day you'd want me too
But I can't lie
I can't wait around on you
This hell that I put me through's
Been weighing me down for too long so just try
To make it easy on me
And if you're leaving just leave
No we ain't gotta force where this goes
I just wanna know...

If you're gonna love me or not
Ain't no rush
We ain't gotta call something it's not
But I can't keep giving you
All that I got
'Cause all I can take, is all that I get
And you ain't told me yet

Girl are you gonna love me or not
Ain't no rush
We ain't gotta call something it's not
But I can't keep giving you
All that I got
'Cause all I can take, is all that I get
And you ain't told me yet
Girl are you gonna love me or not
(Oh, oh)

Are you gonna love me or not?
