

Heed The Call

Anette Olzon

This world that we know needs to burn just to grow

You reap what you sow
A script that tells the future
What did he know
Stay true to the course
The king of terror will come
How do you know

We saw all the signs
We could read from his lore
Things foreseen long ago
Visions seen centuries before
You can choose to become
What they want you to be
Join the herd or break free
A disciple of his prophecies

You reap what you sow
A script that tells the future
What did he know
Stay true to the course
The king of terror will come
How do you know

Prepare or be the one who'll lose it all

Heed the call
Trumpets shake in discord
What they've built will crumble down
As the heavens sound its horn
It's time to heed the call
Hear the sound sent from above
The world we know is doomed to fall
Humans you have all been warned
(The Heavens will sing so bow to the king)
Hear his voice

Maker of dreams
The faithless won't see
While fires rain down
Mountains crumble swallowed by the sea
A shepherd of none
A preacher so weak
A prayer lost and gone
Thy strays will always be my sheep

Prepare or be the one who'll lose it all

Heed the call
Trumpets shake in discord
What they've built will crumble down
As the heavens sound its horn
It's time to heed the call
Hear the sound sent from above
The world we know is doomed to fall
Humans you have all been warned

(The Heavens will sing so bow to the king)

Our Father who art in heaven
Hallowed be thy name
Thy kingdom come thy will be done
On earth as it is in heaven
Give us this day, our daily bread
And forgive us our trespasses

A crooked crown
Four swords to clear his path
To wield his way
The four to spread his wrath

Prepare or be the one who'll lose it all

Heed the call
Trumpets shake in discord
What they've built will crumble down
As the heavens sound its horn
It's time to heed the call
Hear the sound sent from above
The world we know is doomed to fall
Humans you have all been warned
(The Heavens will sing so bow to the king)

Heed the call
Trumpets shake in discord
What they've built will crumble down
As the heavens sound its horn
It's time to heed the call
Hear the sound sent from above
The world we know is doomed to fall
Humans you have all been warned
(The Heavens will sing so bow to the king)

Heed the call

What they've built will crumble down
As the heavens sound its horn
It's time to heed the call
